Gender- Male

Personal Statement

I am a self-driven student taking a Bachelor course in Computer Science. I am committed to my work and driven by challenges and the need to produce results in the field I am allocated. I can independently plan and manage activities with little supervision. I am reliable, flexible, responsible, and hardworking with excellent time keeping skills. I am skilled in dealing with problems resourcefully and working in teams when there is a need. I am open to new work experiences and learning from my superiors.

Work experience

I am a Forex trader and I run the business independently as a source of income.

I attended Top rank Forex Institute in Nakuru Town where I was taught Forex trading skills. I have since launched my own trading account.

Education

Currently pursuing a Degree in Computer Science in Muranga University of Technology
(Expected graduation date- August 2021)

2013-2016 KCSE Anestar Boys High School

2005-2012 KCPE Nakuru East Primary School

Skills

Leadership- Acted as Judge in many debate sessions in high school. I was also a leader in a catholic club in high school.

Digital skills- Knowledgeable on various social media platforms and their manipulation.

Teamwork- Collaborated with classmates to complete complex computer science related projects.

Additional Skills

I have excellent research skills

I am good in data manipulation and organization.

Proficient at online writing. Knowledgeable in Harvard, MLA and APA writing styles.

Good with Excel databases and Microsoft Office.
